## FROM THE VICAR'S DESK

Ink Pot  
December

Dearly Beloved in Christ,

Man's maker was made man, that He, Ruler of the stars, might nurse at His mother's breast; that the Bread might hunger, the Fountain thirst, the Light sleep, the Way be tired on its journey; that the Truth might be accused of false witness, the Teacher be beaten with whips, the Foundation be suspended on wood; that Strength might grow weak; that the Healer might be wounded; that Life might die. (Augustine of Hippo).

We are in yet another Advent. Our Lord is coming. Let's prepare for the Lord. Christmas is not simply a celebration. It defines our nature. It defines our salvation. It defines the meaning of our life. St, Athanasius of Alexandria said, "God became human, so that, human may become divine". The contemporary world, the world of sensual pleasures, presents a false account of the human and divine. In this context, the human nature that God manifests in Christ brings the natural human nature. To be natural means, to be as God intends, to be in the state in and for which God created us.

Incarnation is the identification of holiness with the natural state, which is clear perception. But the condition that we experience as habitual is opposite to clear perception; it is a state of bondage to images that are seen as the objects of the mind's satisfaction. God's revelation in Christ is the revelation of true human nature, which is not in bondage of objective world, but that has a clear vision of the world and life. We must acquire a clear vision of the world and life. This is the intention of incarnation. So do not stop in caroling, singing and celebration, but search for better human formation, better human qualities according to the will of God.

Let this be a time to think and meditate about our human nature. What kind of human being are we. What we should be. Let the journey to Bethlehem be a journey to the true human nature within us.

As we approach the end of 2023, let's thank God for the grace and mercies that we experienced throughout the year. Let's look forward to the new year 2024 with hope and goodwill. Let us dedicate ourselves, our families, and the parish once again to do the will of God.

We, both the vicars and our families wish you all, the Immanuel family a blessed Christmas and blessed New Year.

Rev. Dr. Eappen Varghese  
Vicar
